NEO STONE

1,200x2,400mm 48"X96"  
900x1,800mm 36"X72"

With our advanced ink-jet printing technology and special frits from Italy, our dream of replicating marble textures to tiles has come true. The porcelain Slabs are radiation-free, non-porous, stain resistant. The surface is flat and shiny like a mirror. It can be widely used as flooring and wall cladding, particularly in high-end resorts, fashion store, banquet hall, recreation club and even countertops.
